HOP & Operational Learning

In

... A **bold** and *unique* immersive HOP & Operational Learning experience.

Meet the Crew

Sam Goodman

Meet Sam & Steve

Sam Goodman and **Steve Scott** bring a unique blend of deep expertise and genuine passion to the world of Human & Organizational Performance (HOP). Their collaborative approach rings true, not just in the impactful events they create, but in their shared commitment to practical application over theory. With complementary styles and a down-to-earth approach, they're shaping the future of HOP, one engaging experience at a time.

About the Experience

Step into an immersive event where Human and Organizational Performance (HOP) comes alive. This isn't your typical conference; it's an intimate gathering designed for conversation, collaboration, and real-time problem-solving. Engage in peer-to-peer sharing, tackle challenges together, and dive deep into immersive activities that foster genuine connection. Leave with actionable insights, a network of like-minded professionals, and a renewed passion for HOP – all within a fun and engaging environment.
